

Common Questions: CEP or OA Change?

C.E.P.

Currently Enrolled Provider registration is used when:

- Legacy MMIS+ providers who migrated to NCTracks but never completed a CEP registration

***Which should
you use?***

O.A. Change

Office Administrator Change Process is used:

- When the previous OA is no longer available
- If you're the OA but had to get a new NCID
- If you're an individual provider and you want to be your own OA
