

How to Attend the **Advanced Medical Home (AMH) Tier Attestation Tool Training** if You Are Unable to Register in SkillPort

Some providers have reported difficulty in registering for the upcoming **AMH Tier Attestation Tool Training** classes in SkillPort. Registering in SkillPort is always preferable because it enables us to track enrollment, but if a provider is unable to use SkillPort, the following option is available to allow unregistered participants to attend.

The classes are being offered from 9:30 to 11 a.m. on Sept. 21, Sept. 28, and Oct. 5.

Connect to the WebEx using the following URL:

<https://www.teleconference.att.com/servlet/AWMlogin>

When prompted, enter the following information:

Meeting Number: 8885674484

Access Code: 95970831

Log in with your email address, first and last name

To hear the audio please dial:

888-567-4484

When prompted, enter the following information:

Meeting Number: 95970831

This approach will provide the same access to the training as registered participants. The maximum capacity of the class is 500 participants.

Note: If it is your first WebEx training class with NCTracks, please plan to log in 15 minutes in advance to allow time for the initial set up.

For more information on the AMH Tier Attestation Tool Training, refer to the [September 4 announcement](#) on the NCTracks provider portal.
